REPORT OF THE SUPERINTENDENT OF SCHOOLS

I submit this, my twenty-sixth annual report as Superintendent of Schools, it being the thirty-fifth in the series under union supervision. With it is included the report of Headmaster Ernest W. Pratt and the report of Mrs. Helen L. Towne, School Nurse.

Since our last report Mr. Ernest B. Dana was given a leave of absence as headmaster to enter the service of the U. S. Army as an instructor in the air forces, and the position of headmaster since that time has been held by Mr. Ernest W. Pratt of Barre, Mass., a graduate of Colby College with several years experience as teacher of science in Massachusetts and Connecticut schools, and seven years as supervising principal of the Junior and Senior High School in Millbury, Mass.

Miss Swann, teacher of English was married near the close of the school year and asked to be released from her contract during the summer vacation.

Mrs. Ellen H. Floyd who was elected to the English department received her degree of B. Ed. at Southern Illinois Normal University in 1942, and the degree of M. A. from the University of Illinois in June, 1943.

Mr. Durkee gave up his position as teacher of Social Science the latter part of August, and Miss Elena F. Baglione, who received her degree from Framingham Teachers' College in 1943 was elected.

Mrs. Vera H. Rice declined re-election in the Junior High department, and Mrs. Abbie S. Brown, who had taught part time during last year was given a full time position in this department.

Miss Edythe Coutts, teacher of one section of the first grade was married at the close of the school year, and Mrs. Dorothea Hammond, a former teacher in the primary grades was elected to succeed her.

The transfer of Mrs. Abbie Brown as part time teacher in the grade school to the junior high occasioned a vacancy that was filled by the election of Mrs. Louise Belletete, a former sixth grade teacher.

The enrollment for the first twelve weeks of the present school year has been 550. For the same period last year it was 555, and for the entire school year 1942-43 it was 575.

During the past ten years the total enrollment of the schools has varied from 551 for the school year 1937-38 to 590 for the school year 1940-41

The smallest enrollment for the high school was 115 in 1937-38, and during two years, 1940-41 and 1942-43 reached the total of 152.

The figures for this period are as follows:

	Senior High 9-12	Junior High 7-8	Elementary 1-6	Total
1933-34	131	116	332	579
1934-35	125	109	340	574
1935-36	123	104	353	580
1936-37	124	93	345	562
1937-38	115	110	326	551
1938-39	133	124	330	587
1939-40	143	114	325	582
1940-41	152	112	326	590
1941-42	140	105	332	577
1942-43	152	108	315	575

For the second successive year the meeting of the State Teachers' Association was omitted, but a Regional Association meeting in connection with the Cheshire County Institute was held at Keene on

November 12th. This meeting was attended by the teachers of the supervisory union.

The classes in adult education for several years conducted by Mrs. Aline Brown were discontinued last spring as Mrs. Brown was obliged to give up the work at that time, but these classes were resumed in October and are now in charge of Mrs. Barbara Doucoumes of Keene.

The shortage of teachers and the higher salaries paid out of the state necessitates a call for a substantial increase in the school budget.

The schools are meeting the war situation with a determination to do their part. Thus far only one call has been made for a rationing program, and this was very successfully conducted during the fall term with little loss of school time.

In these trying days the schools need the cooperation of the homes, the pupils and the teachers. Parents should realize more keenly their responsibility to the schools. They should make their children realize the importance of making the most of their opportunity to secure an education. Pupils should more keenly appreciate that for them school is their most important business, and teachers by skill and tact must see to it that the work assigned is done.

When all co-operate, difficulties disappear. Our task is not different from that of other communities throughout the country. Let us all carry on with increased vigor and determination.

Very truly yours,
LEWIS S. RECORD,
Superintendent of Schools.

East Jaffrey, N. H., February 15, 1944.

REPORT OF HEADMASTER OF CONANT JUNIOR-SENIOR HIGH SCHOOL

Mr. Lewis S. Record, Superintendent of Schools, East Jaffrey, N. H.

The following is the annual report for Conant Junior-Senior High School for the year 1943.

Teaching Staff

Three changes were made in the teaching staff during the year, all of which became effective in September. The vacancies caused by the resignation of Mr. Benjamin G. B. Durkee, Social Science Department, Mrs. E. Elizabeth Jones, English Department, and Mrs. Vera Rice, Junior High Science Department, were filled by Miss Elena Baglione, Mrs. Ellen H. Floyd, and Mrs. Abbie S. Brown respectively. Of the eleven full time teachers, six teach full time in the senior high school, two teach in both the junior and senior high school, and three teach full time in the junior high school.

Enrollment and Attendance

Conant Senior High School opened this past fall with an enrollment of one hundred and twenty-six pupils. At present there are one hundred and twenty-one students in high school. Three have moved from town and two have entered the Armed Services. In contrast to the enrollment of other high schools which opened last September with greatly decreased student bodies, due to war conditions, this school has maintained a far better than average stability of pupil registration. The enrollment of the junior high school for September was ninety-eight, a decrease of ten from that of last year.

The attendance in the senior high school for the year of 1942-43 was 92.2% as compared with an average of 93.5% for the entire state, and the number of tardinesses per pupil was 2.1 as compared to 1.4 for the state as a whole. The number of half days in which schools were in session was 338, while the average for the state was 346.7. In the junior high school for the first twenty weeks of this school year the per cent of attendance was 93.03 and the number of tardinesses per pupil was .86.

Honor Roll 1943-44, 1st 18 Weeks

The only change in the course of study from that of last year is the introduction of a physical education program for all boys.

The purpose of this program is to make high school pupils physically fit to undertake the unusually heavy tasks that they will be called upon to assume in the near future. For some it will be for induction into the armed forces.

The program has for its objective the development of: (a) Strength, endurance, stamina and bodily coordination; (b) Physical skills that will be of direct value and use in the armed forces and war work.

Owing to the great demand placed upon the time of pupils outside of school hours, both in work and civilian defense activities, it has been somewhat difficult to maintain all extra curricula activities at the same standard that would normally occur during peace times. However all school and class events have functioned as usual up to the present, but it is doubtful if this can be carried out if the present emergency continues, as the demands of pupils' time and efforts become greater each passing month.

The school has continued its membership in the Monadnock League and has its full representation of athletic teams, although baseball was played informally last spring as in all other schools situated as Conant, is due to the extreme difficulty of transportation.

The annual senior class trip to Washington has been changed to a trip to New York for four days and the present senior class is planning to make the same tour.

One phase of war effort is to be greatly commended. The school sells, every Friday morning, War Savings Stamps which is being accomplished by the office practice class of the Commercial Department. Each month over 90% of the pupils have purchased stamps entitling them to fly their "Minute Man Flag." Those who buy regularly are forming a habit of saving. From September, 1943, to February, 1944, \$2,294.15 worth of stamps and bonds were sold. One senior who left school to enter the Armed Service invested his school savings in bonds.

In conclusion I wish to call the attention of both school officials and parents to the urgent need of regular attendance and punctuality. You will note from a previous paragraph that Conant High and Junior High School fall below the average for the state in attendance and tardinesses. Pupils who are absent a great deal from class miss the class room work and can not possibly accomplish as much in trying to make it up in spare periods or at the close of school. There are several pupils who fall in this category, both from trying to do too much work outside of school, and allowing outside interests to take up their minds and time to the detriment of their school subjects. Those who make a practice of being absent a great deal gradually fall below in their grades and ultimately reach a point where they fail promotion.

ERNEST W. PRATT,
Headmaster.

HOME FOOD PRODUCTION

Patriotism, prudence, and protection of health combine to urge that in 1944 every family produce and preserve for home consumption as much of the family's yearly food supply as possible. Home food production will assure our own food supply, will release more foods for the armed forces and lend-lease, will help meet the national goals, and will relieve transportation, labor and equipment shortages.

To help families with their plans for food production and preservation at home, the University of New Hampshire Extension Service lists the following free bulletins for your use:

Hotbeds and Cold Frames	Ext. Circ. 214
The Home Vegetable Garden	Ext. Circ. 170
Vegetable Storage	Ext. Circ. 140
Tomatoes for Good Health	Ext. Circ. 220
Control of Insects and Diseases in the Home Garden	Ext. Circ. 253
Strawberry Culture	Ext. Circ. 211
Red Raspberry Culture	Ext. Circ. 103
Blackberries for New Hampshire	Ext. Circ. 104
Grape Growing in New Hampshire	Ext. Circ. 173
Improved Blueberries	Ext. Circ. 215
The Home Poultry Flock	Ext. Circ. 250
Home Canning Guide	Ext. Bull. 57
Appetizing Pickles and Relishes	Ext. Circ. 130
Canning of Fruits and Vegetables	Ext. Circ. 137
Canning of Meats	Ext. Circ. 175

List the titles of the bulletins which you would like on a penny post card and mail it to: Extension Service, Room 211, Thompson Hall, University of New Hampshire, Durham, New Hampshire.
